***Wellness and Exercise for people with Parkinson's disease, InMotion** (updated August 2023)

Better Every Day(BED)[™]/Strength is an InMotion-developed program for people with Parkinson's disease. BED[™]/Strength focuses on gait, balance, amplitude, and coordination. This class follows the Parkinson's Exercise Guidelines developed by the Parkinson's Foundation for required strength training. It is offered on three non-consecutive days for an hour per session to our higher mobility clients and once weekly for an hour to our mid-level mobility clients. In addition to a warm-up, the class focuses on 10 -15 major muscle groups, resistance, speed, and power. It also focuses on the major muscle groups of upper and lower extremities using weight machines, resistance bands, light and moderate handheld weights and body weight. A class for our mid-level mobility clients adds Drums Alive[™], which provides a fun and lively cardio, coordination, and rhythm component.

Location: Beachwood, OH

Fee: None

For more information, contact Cathe Schwartz at cschwartz@beinmotion.org.

Montgomery County

***Countryside Delay the Disease Fitness Class, Miami Valley Hospital** (updated August 2023)

Premier Health is happy to sponsor an expansion of a successful Delay the Disease Program to a new location: Lebanon, OH. This program will consist of a 2x/week model with classes running for 12 weeks at a time and will be certified as a Delay the Disease location. This is a Parkinson's Disease specific course meaning that it will target the specific deficits that are unique to Parkinson's Disease, including: small movements, shuffling gait, slouched posture, arm and leg weakness, freezing of gait, among others (Chen et al. 2013). These classes will be moderate to high intensity, pushing individuals to perform at their uppermost limits (Koop et al. 2019). Modifications will be made for safety and for individuals skill levels, so all participants are welcome.

Location: Dayton, OH – Meeting in-person

Fee: \$10 per class, scholarships available

For more information, contact James Christoffel at jrchristof@premierhealth.com.
