

# 2023 Recipients

Parkinson's Foundation community grants further the health, wellness and education of people with Parkinson's disease (PD) across the nation. In July 2023, the Foundation distributed \$1 million throughout 71 community-based grants that support local health, wellness and educational programs that address unmet needs across local PD communities.

\* - Indicates a former Community Grantee that will continue their programming through the end of the year

\*\* - Indicates a center that is part of the Parkinson's Foundation Global Care Network that will receive a 2023 Community Grant
